Everything is in place now! ... on the road with Awite

Langenbach, 8 December 2014:

At the EuroTier in November we had brought along some additional support. Nobody really knew who they were and what their names were.

But we know: They are called AwiBUB and AwiBOB and will accompany us on our future journeys to support us, to explain or simply as part of the team.

By the way, we also did some travelling again this year and we are pleased to welcome Mexico, Macedonia, Norway, and Singapore as our first-time customers.

And what else do we have planned? If you want to learn more, please come and visit us at one of our upcoming events or simply give us a call.

On behalf of the whole Awite team, including AwiBUB and AwiBOB, we would like to wish you and your families a wonderful Christmas and a very happy and prosperous New Year 2015.
