New Partnerships 2014

Langenbach, 28 May 2014:

We are pleased to announce that since the beginning of this year three more distribution partners have joined our team:

For extending our market leadership in Italy APT Srl will now be responsible for the Italian and Maltese markets for applications in the food and beverage industries, the waste management industry as well as in the area of waste water treatment.

Dräger Safety Bulgaria EOOD will be looking after the market in Bulgaria in the areas of sales and services.

In Lithuania Aleksandras Stulginskis University will be our service partner for the markets in Latvia, Estonia, Lithuania, and Belarus.

Of course we will continue to build on our tradition of new partnerships and product innovations!

Please come and see us at one of next upcoming events or simply give us a call.
