NEW PARTNERSHIPS IN 2015

Langenbach, 31. August 2015:

We are very happy to be able to welcome two new partners to extend our business activities abroad:

Consorcio Industrial Galán S.A. de C.V with headquarters in Aguascalientes will from now on look after the Mexican market under the brand name of IG Biogas. Welcome!

DASTEC S.R.L., whom we also welcome, will be responsible for the regions Argentina/Paraguay and Uruguay. DASTEC has its headquarters in Buenos Aires, and operates an affiliate in Montevideo.

We hope that we will soon be able to win over additional partners so that we can continue our consistent route towards internationalisation together with reliable and loyal partners.

Excited? Then come visit us at one of these upcoming events or simply give us a call.
